What GTA Homeowners Are Saying

Called to repair my fridge which was not cooling, Technician Sunny diagnosed and told me what to be done. He got the fridge working again and his price was better than the other company I called. Reliable service

Japneet Kaur

Very happy with the service. He repaired my microwave a few months ago and I haven't had any issues since. He was professional, explained the problem clearly, and knew exactly what needed to be done.

Nafisa Ali

I contacted this company on a coworker's recommendation to repair my oven. Exceptional customer service, and Sunny went above and beyond to resolve the issue. I strongly recommend their services!!
