APPLIANCES WE SERVICE

EVERY MAJOR APPLIANCE IN YOUR HOME

Our technicians carry common parts on the van, so most repairs are finished in a single visit — no waiting a week for a follow-up.

REFRIGERATOR REPAIR

In-depth cooling system diagnosis and motor repair to protect the food you've already paid for.

Common fixes
Not cooling • Ice maker failure • Water leaking • Loud compressor

WASHER REPAIR

Professional repair of water leaks, pumping failures, drum noise and stuck cycle errors.

Common fixes
Won't drain • Won't spin • Leaking • Error codes

DRYER REPAIR

Quick repair of heating elements, thermostats and tumbling faults for any dryer model.

Common fixes
No heat • Won't tumble • Takes too long • Burning smell

DISHWASHER REPAIR

Expert repair for drainage issues, moisture leaks, and power or control board problems.

Common fixes
Not draining • Dishes still dirty • Leaking • Won't start

OVEN & STOVE REPAIR

Repairs that bring back consistent baking temperatures and reliable burner ignition.

Common fixes
Won't heat • Uneven baking • Burner won't light • Door seal

INDUCTION & COOKTOP REPAIR

Professional repair for gas ranges, glass tops and electric burners without cracking the surface.

Common fixes
Zone not heating • Touch panel dead • Error codes • Clicking

WHY HOMEOWNERS CALL US

FAST, FAIR, AND FINISHED PROPERLY

A broken fridge or washer is an emergency, not a scheduling item. We built our service around getting you back to normal the same day.

SAME-DAY SERVICE

Emergency repairs handled immediately to get your home back on track fast — most jobs booked in the morning are done by evening.

TRANSPARENT PRICING

Upfront flat rates with zero hidden charges or surprise fees. You approve the price before a single screw comes out.

LICENSED & INSURED

Work with fully qualified local specialists you can trust in your home and rely on to do it right the first time.

WORK GUARANTEED

Your satisfaction is assured with comprehensive repair warranties on both labour and the parts we install.

HOW IT WORKS

FROM BROKEN TO FIXED IN FOUR STEPS

No long hold times, no vague "sometime between 8 and 6" windows.

STEP 01 CALL OR BOOK ONLINE

Tell us the appliance, the brand, and what it's doing. Takes about two minutes.

STEP 02 GET YOUR TIME WINDOW

We confirm a same-day or next-day slot and text you when the technician is on the way.

STEP 03 DIAGNOSIS & FLAT QUOTE

The technician finds the fault, explains it plainly, and gives you a fixed price to approve.

STEP 04 REPAIRED & GUARANTEED

Most repairs finish on the spot, tested in front of you and covered by our written warranty.

CLIENT TESTIMONIALS

WHAT GTA HOMEOWNERS ARE SAYING

★★★★★

★★★★★

"Called to repair my fridge which was not cooling. Technician Sunny diagnosed and told me what to be done. He got the fridge working again and his price was better than the other company I called. Reliable service."

JN Jagmeet Kaur
Refrigerator repair

★★★★★

"Very happy with the service. He repaired my microwave a few months ago and I haven't had any issues since. He was professional, explained the problem clearly, and knew exactly what needed to be done."

NA Nafise Ali
Microwave repair

★★★★★

"I contacted this company on a coworker's recommendation to repair my oven. Exceptional customer service, and Sunny went above and beyond to resolve the issue. I strongly recommend their services!"

SE Sahra Ensafi
Oven repair

CORROD QUESTIONS

FAQS

Can you really come the same day?

In most cases, yes. Bookings placed before 1 PM are usually served the same day, depending on your area and technician availability. If we can't make it same-day, we'll tell you honestly on the call rather than leaving you waiting.

How does your pricing work?

Do you carry parts with you?

Is the repair covered by a warranty?

Which brands do you service?

Which areas do you cover?

Is it worth repairing or should I replace it?
